Admin User Role

-Fomo Admin are in charge of data control such as checking on flagged events, deciding which ads go where and deciding who gets to use the website.

-Admin should be individuals not looking for this to be their endgame but just a side source of income. When they are tired of their role they will be able to pass it on to someone else.

-Fomo Admin earn 5% of the websites total earnings and are paid at the end of every week.

-Each Admin will receive a bank card within the same bank as mine, and are advised to install the bank's app, to simplify transfers.

-Admin account's are allowed to edit/delete any events, users and galleries. Admin have access to 8 control pages;

> Top Events
> Flagged Events
> Flagged Users
> Flagged Pictures
> Advert Bar
> Advert Space
> Uganda Teams
> Attractions

-The Top Events Page is used for social media purposes.

-The Flagged pages have all events, users and pictures that have received a flag for inspection by other users. They shall be ordered from most flags to least and split into the different categories. Admin should regularly browse through flagged data and determine whether it should be taken down or not. If any event receives a number of flags greater than or equal to 10% of the total number of people going to that event, it will be automatically deleted by the app.

-The Advert Bar page is where Admin will be able to edit the events that go within the advertisement bar that appears on the top of every page. There can be a maximum of 10 events within the bar at a time. Admin should discuss and decide upon which events will be displayed in the the bar.

-The Advert Space Page is where Admin have access to all the 356 ads on the website, here they can preview the ad space throughout the the website to business owners and have individuals select where to put their ads. The page will show which ad spaces are currently taken and which are occupied by a random google Adsense ad.

-The Uganda Teams page is used to enter the National team sporting events and National Sports teams.

-The Attractions Page gives Admin access to the data that goes on the "Things to do" page. This page is currently split into 3 parts;

> Jinja Adventures
> Parks & Wildlife
> Landmarks to visit

This page can be expanded upon as there can be countless different things to do in a whole country, if any Admin hear or come up with any bright ideas, make sure to bring them up.
